

Operations Officer V City of Baltimore Department of Public Works

Salary: \$76,100 - \$121,700 (Salary commensurate with experience)

The City of Baltimore, Department of Public Works is seeking a highly qualified, results-oriented professional to serve as an Operations Officer V within DPW Finance Office.

The person selected for this position will contribute to the effective management of the fiscal office supervising professional staff, problem solving and project management. This position must have the ability to lead a diverse funded organization.

The position will manage the financial activities within Department of Public Works, which includes collection and disposal, municipal water supply and sewage treatment, service restoration and utility maintenance to Baltimore City and the surrounding Counties. The Department of Public Works has an operating budget of \$483,028,261 and an annual capital budget of \$654,213.000 with approximately 2,662 fulltime employees under multiple functional Bureaus and offices. Other duties include but are not limited to communication with the Chief Fiscal Officer, Director, other Agency Heads, as well as elected officials at local, state, and federal levels and interaction with inter-jurisdictional representatives. In addition, the successful candidate may represent the Department at and/or on various municipal meetings, hearings and boards.

Minimum Education and Experience Requirements:

Requirements: The successful candidate must have a Bachelor's Degree in Business Administration, Public Administration, Management or a related field from an accredited college or university and ten (10) years of progressively-increasing responsibilities including 4 years of supervisory experience is required. Both CPA/CFA preferred.

Equivalencies: An equivalent combination of education and experience.

Resumes will be accepted until the position is filled.
